Job Description: Python Developer at SwiftApp Studios

Position: Python Developer
Location: Remote/Hybrid (Headquarters: Tech Valley)
Employment Type: Full-time

At SwiftApp Studios, we craft cutting-edge mobile applications that redefine user experiences. Our team thrives on creativity, collaboration, and kindness, and we're searching for a motivated **Python Developer** to join us in our mission to create impactful, user-friendly mobile solutions.

Your Role

As a Python Developer, you will be a crucial part of our development team, specializing in building and maintaining backend systems for mobile applications. You'll work with passionate teammates to implement robust APIs, optimize performance, and ensure seamless integration of our apps with various services.

What You'll Do

- Design, build, and maintain Python-based backend systems for mobile apps.
- Collaborate with frontend developers and UX/UI designers to create seamless user experiences.
- Develop RESTful APIs to enable communication between mobile apps and backend systems.
- Optimize server-side performance to handle large user bases efficiently.
- Write clean, maintainable, and well-documented code.
- Work in an Agile team environment and actively participate in stand-ups, sprint planning, and code reviews.
- Stay updated with the latest trends in Python development and mobile app technology.

What We're Looking For

- **Required Skills:**
    - 3+ years of experience in Python development.
    - Solid knowledge of frameworks like Django or Flask.
    - Experience with database management (PostgreSQL, MySQL, or MongoDB).
    - Familiarity with cloud platforms (AWS, Azure, or GCP).
    - Understanding of API development and third-party API integration.
    - Strong problem-solving skills and a team-first mindset.
- **Preferred:**
    - Knowledge of mobile app development tools or frameworks.
    - Experience with DevOps practices and CI/CD pipelines.

Why SwiftApp Studios?

- A collaborative team environment that values kindness and mutual respect.
- Opportunities for professional growth and continuous learning.
- Flexible working hours and remote-friendly policies.
- Competitive salary, health benefits, and generous PTO.

We believe that great work comes from motivated individuals who thrive in a supportive and empathetic workplace. If you're excited to contribute to meaningful projects and grow alongside a dedicated team, apply now!
